Adopted August 17, 2017

Purpose

The Nominating & Governance Committee (the “Committee”) is established by the Board of Directors (the “Board”) of Cardtronics plc (the “Company”) to assist the Board by overseeing the nomination of well-qualified director nominees and the consideration, establishment and implementation of appropriate corporate governance practices. In particular, the purpose of the Committee is to serve as an independent and objective body to:

- assist the Board by identifying individuals qualified to become Board members and to recommend that the Board select the director nominees for election at the annual general meetings of shareholders or for appointment to fill vacancies on the Board;
- recommend to the Board director nominees for each committee of the Board;
- advise the Board about appropriate composition of the Board and its committees;
- advise the Board about and recommend to the Board appropriate corporate governance practices and to assist the Board in implementing those practices;
- lead the Board in its annual review of the performance of the Board and its committees; and
- perform such other functions as the Board may assign to the Committee from time to time.

Organization, Composition and Qualification

The Committee will be selected by the Board and comprised of no fewer than three members of the Board. All of the members of the Committee must be “independent,” as such term is defined from time to time by the listing standards of any applicable stock exchange and by applicable regulations of the SEC and must meet any other applicable independence requirements of the SEC and any applicable stock exchange, subject to any applicable exceptions and transition provisions. Each member will serve at the pleasure of the Board and for such term or terms as the Board determines. Any or all members of the Committee may be removed by the Board at any time. A Chairperson will be designated by the Board from among the members of the Committee or, if no such designation is made by the Board, a Chairperson will be selected by the affirmative vote of the majority of the Committee. Committee members should be chosen based on their competence, availability and ability to manage and add substance to the deliberations of the Committee. In addition, members of the Committee must not have any relationship to the Company that could interfere with the exercise of their independence from management and the Company with respect to compensation matters. The Committee’s composition will be reviewed periodically to determine whether each of its members meets the criteria set forth in any applicable rules and regulations.

Notwithstanding the foregoing membership requirements, no action of the Committee shall be invalid by reason of any such requirement not being met at the time such action is taken.
