

Cardtronics Extends ATM and Payments Agreement with Meridian

April 30, 2018

CALGARY, Alberta, April 30, 2018 (GLOBE NEWSWIRE) -- [Cardtronics](#) (Nasdaq:CATM) today announced it has extended its long-term agreement with [Meridian](#), Ontario's largest credit union, to continue providing issuing and acquiring processing services for Meridian's consumer and business credit and debit card portfolios. This latest agreement, which extends a relationship established in 2006, also renews Cardtronics as ATM managed services provider for Meridian – covering Meridian's entire fleet of branch and off-premise ATMs. Cardtronics is the world's largest ATM owner/operator and a leading payments services provider in Canada.

"A strong sense of partnership has developed between Meridian and Cardtronics as we share a mutual commitment to provide our Members with consistent, reliable and convenient services," said Gary Genik, Senior Vice President and Chief Operating Officer at Meridian. "We look forward to continued collaboration between our organizations, with Cardtronics providing the market leading ATM and payments services expected by our cardholders."

"This agreement is a testament to the open communication we've fostered with Meridian, and certainly our commitment to the Canadian marketplace," said Brian Bailey, Cardtronics Managing Director – North America. "The Cardtronics team is dedicated to providing the highest level of support to Canada's credit union system, and we welcome the opportunity to continue supporting Meridian with innovative payments services technologies."
