

## First National Bank of Omaha Partners with Cardtronics to Expand Surcharge-free ATM Access

February 19, 2019

### 146 ATMs in retailers across six states to display FNBO brand

HOUSTON, Feb. 19, 2019 (GLOBE NEWSWIRE) -- [First National Bank of Omaha](#), a subsidiary of First National of Nebraska, has increased convenience for its customers and improved its core market physical presence through a new ATM branding partnership with [Cardtronics](#). This expanded partnership will see First National Bank of Omaha's branded ATM presence grow by over 150 percent.

In its agreement with Cardtronics, First National Bank of Omaha added 146 ATMs to the 255 ATMs already owned by the bank. The branded ATMs located in Colorado, Iowa, Kansas, Missouri, Nebraska and Texas are owned and operated by Cardtronics and will be fully FNBO branded, significantly and visibly increasing brand awareness in these markets while also providing fee-free access for FNBO cardholders. The ATMs are located in convenient, well-known retail outlets including CVS Pharmacy, Walgreens, Loaf 'N Jug and Kwikshop.

In addition to the 146 Cardtronics ATMs on which FNBO is placing its brand, through a previous and separate agreement, the bank has also dramatically increased value for its cardholders by offering surcharge-free cash access for its cardholders by joining Cardtronics' [Allpoint Network](#). The Allpoint Network is the world's largest surcharge-free ATM network providing free cash access at 55,000 ATMs located throughout the United States, Canada, and Mexico, as well as the United Kingdom and Australia.

"In today's digitally evolving marketplace, we strive to deliver convenient banking solutions for our customers," said Jerry O'Flanagan, executive vice president, Consumer Banking Group at First National Bank. "Cardtronics' ATM Branding and access to the Allpoint Network helps us to provide fee-free ATM service to our customers, while making cash access a simplified, seamless experience."

"The combination of ATM branding and Allpoint Network access strengthens FNBO brand visibility in key markets while providing cardholders the broad surcharge-free ATM access they demand," stated Brian Bailey, managing director North America at Cardtronics.

First National Bank of Omaha customers can find the nearest surcharge-free ATMs by clicking "Find Branch/ATM" at the top right on its website [here](#).

#### About First National Bank of Omaha

First National Bank of Omaha is a subsidiary of First National of Nebraska. First National of Nebraska and its affiliates have more than \$23 billion in assets and 5,000 employee associates. Primary banking offices are located in Nebraska, Colorado, Illinois, Iowa, Kansas, South Dakota and Texas.

#### About Cardtronics

Cardtronics is the trusted leader in financial self-service, enabling cash transactions at approximately 227,000 ATMs across 10 countries in North America, Europe, Asia-Pacific, and Africa. Leveraging our unmatched scale, expertise and innovation, top-tier merchants and businesses of all sizes use our ATM solutions to drive growth, in-store traffic, and retail transactions. Financial services providers rely on Cardtronics to deliver superior service at their own ATMs, on Cardtronics ATMs where they place their brand, and through Cardtronics' Allpoint Network, the world's largest surcharge-free ATM network, with over 55,000 locations. As champions of cash, Cardtronics converts digital currency into physical cash, driving payments choice for businesses and consumers alike.
