Item 8.01. Other Events.

As previously disclosed on January 25, 2021, Cardtronics plc, a public limited company incorporated under the laws of England and Wales (the “Company” or “Cardtronics”), entered into an Acquisition Agreement (the “Acquisition Agreement”) with NCR Corporation, a Maryland corporation (“NCR”), and, solely for purposes of Section 8.2, Section 8.4 and Article IX of the Acquisition Agreement, Cardtronics USA, Inc., a Delaware corporation and a wholly-owned subsidiary of the Company (“Company Sub”), pursuant to which NCR agreed to acquire the Company by means of a court-sanctioned scheme of arrangement under Part 26 of the U.K. Companies Act of 2006 (the “Scheme”) for \$39.00 per share (the “Per Share Consideration”), subject to the terms and conditions of the Acquisition Agreement (such transaction, the “Acquisition”).

On February 16, 2021, the Company filed with the Securities and Exchange Commission (the “SEC”) its revised preliminary proxy statement on Schedule 14A (the “Preliminary Proxy Statement”) and on March 30, 2021, the Company filed its definitive proxy statement of Schedule 14A relating to the court meeting and general meeting of the shareholders of the Company scheduled to be held on May 7, 2021 (the “Definitive Proxy Statement”) to, among other things, vote on a proposal to adopt the Acquisition Agreement.

On April 20, 2021 and April 26, 2021, two purported shareholders of Cardtronics filed lawsuits in the United States District Court for the Southern District of New York and the United States District Court for the Eastern District of New York, respectively, captioned *Lhamon v. Cardtronics plc, et al.*, Case No. 1:21-cv-03448 (S.D.N.Y.) (the “Lhamon Action”) and *Schoenhoff v. Cardtronics plc, et al.*, No. 1:21-cv-02282 (E.D.N.Y.) (the “Schoenhoff Action,” and together with the Lhamon Action, the “Stockholder Actions”). The Stockholder Actions name Cardtronics and certain members of its board of directors as defendants, and assert claims against the defendants under Sections 14(a) and 20(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and Rule 14a-9 promulgated under the Exchange Act. The Stockholder Actions allege, among other things, that the Definitive Proxy Statement is false and misleading and/or omits material information concerning the transactions contemplated by the Acquisition Agreement in violation of Sections 14(a) and 20(a) of the Exchange Act. The Stockholder Actions seek, among other things, to enjoin the defendants from consummating the Acquisition, rescissory damages should the Acquisition not be enjoined, and an award of ‘attorneys’ and ‘experts’ fees.

SUPPLEMENT TO DEFINITIVE PROXY STATEMENT

This supplemental information should be read in conjunction with the Definitive Proxy Statement, which should be read in its entirety. Page references in the below disclosures are to pages in the Definitive Proxy Statement, and defined terms used but not defined herein have the meanings set forth in the Definitive Proxy Statement. To the extent the following information differs from or conflicts with information contained in the Definitive Proxy Statement, the information contained herein shall be deemed to supersede the information contained in the Definitive Proxy Statement. The Company denies the allegations in the complaints relating to the Stockholder Action and denies any alleged violations of law or any legal or equitable duty.

1. **The section of the Definitive Proxy Statement entitled “The Acquisition—Background of the Acquisition” is amended and supplemented as follows:**

- A. The following disclosure is hereby added as one new paragraph following the third paragraph on page 47 of the Definitive Proxy Statement (with new text in bold and underlined):

Each of the non-disclosure agreements entered into by the Company in connection with a potential transaction included a standstill provision, which included “don’t ask, don’t waive” language, but, in each case, such standstill was of no further force and effect as of the Company’s execution of the Acquisition Agreement with AGM on December 15, 2020.

2. **The section of the Definitive Proxy Statement entitled “The Acquisition—Opinion of Goldman Sachs & Co. LLC” is amended and supplemented as follows:**

- A. The disclosure in the second paragraph under the heading “Implied Premia and Multiples” on page 59 of the Definitive Proxy Statement is hereby amended and restated as follows (with new text in bold and underlined):

In addition, Goldman Sachs calculated an implied equity value of the Company by multiplying the \$39.00 in cash per Share by the total number of fully diluted Shares outstanding as of January 21, 2021 **of 46.59 million**, calculated using information provided by the Company’s management and the treasury stock method. Goldman Sachs then calculated an implied enterprise value of the Company by adding to the implied equity value it calculated as described above, the Company’s estimated net debt (defined for this purpose as the Company’s debt less cash, including the value of non-controlling interest, and which we refer to as “Net Debt”) as of December 31, 2020, as reflected in the December 2020 Projections.

- B. The disclosure in the third paragraph under the heading “Illustrative Discounted Cash Flow Analysis” on page 60 of the Definitive Proxy Statement is hereby amended and restated as follows (with new text in bold and underlined):

Goldman Sachs derived ranges of illustrative enterprise values for the Company by adding the ranges of present values it calculated for the unlevered free cash flow and illustrative terminal values, as described above. Goldman Sachs then subtracted from the range of illustrative enterprise values it derived the Company’s Net Debt as of December 31, 2020, as reflected in the December 2020 Projections to derive a range of illustrative equity values for the Company. Goldman Sachs then divided the range of illustrative equity values by the implied total number of fully diluted Shares as of January 21, 2021 **ranging from 46.48 million to 46.58 million**, based on the derived range of illustrative equity values, and calculated using information provided by management and the treasury stock method, to derive a range of illustrative present values per Share of \$29.01 to \$38.21.

- C. The disclosure in the fourth paragraph under the heading “Selected Precedent Transactions Analysis” on page 61 of the Definitive Proxy Statement is hereby amended and restated as follows (with new text in bold and underlined):

Based on the results of the foregoing calculations and Goldman Sachs’ analyses of the various transactions and its professional judgment and experience, Goldman Sachs applied a reference range of enterprise value to LTM EBITDA multiples of 3.5x to 12.7x to the Company’s estimated Adjusted EBITDA for the Company’s fiscal year 2020, as reflected in the December 2020 Projections, to derive a range of implied enterprise values for the Company. Goldman Sachs subtracted from this range of implied enterprise values the Company’s Net Debt as of December 31, 2020, as reflected in the December 2020 Projections, and divided the result by the implied total number of fully diluted Shares outstanding as of January 21, 2021 **of 46.36 million at 3.5x and 46.71 million at 12.7x**, based on the derived range of illustrative equity values, and calculated using information provided by management and the treasury stock method, to derive a range of implied values per Share of \$7.11 to \$59.86.
