COMPENSATION COMMITTEE CHARTER

Adopted August 23, 2018

Purpose

The Compensation Committee (the "Committee") was established by the Board of Directors (the "Board") of Cardtronics plc (the "Company") to primarily: (a) oversee the responsibilities of the Board relating to compensation of the directors and executive officers¹ of the Company; and (b) design, recommend and evaluate the director and executive compensation plans, policies and programs of the Company.

The Committee should promote policies and procedures such that the Company's compensation program is effective in attracting, retaining and incentivizing key employees. The Committee should endeavor to promote a compensation policy that (a) creates a relationship between pay levels and corporate performance and returns to shareholders and (b) monitors the results of such policy to review whether the compensation payable to the Company's executive officers provides overall competitive pay levels, creates proper incentives to enhance shareholder value, rewards superior performance, and is justified by the returns available to shareholders.

The Committee has the authority to form and delegate its authorities and responsibilities to subcommittees as it deems appropriate and to delegate responsibility for the day-to-day management of compensation to the executive officers of the Company.

Organization, Composition and Qualification

The Committee will be comprised of no fewer than three Board members who will be selected by the Board based on the recommendation of the Nominating & Governance Committee. Each member of the Committee must be "independent," as such term is defined from time to time by the listing standards of any applicable stock exchange and by applicable regulations of the Securities and Exchange Commission (the "SEC") and meet any other applicable independence requirements of the SEC and any applicable stock exchange, subject to any applicable exceptions and transition provisions. Each member will serve at the pleasure of the Board and for such term or terms as the Board determines. Any or all members of the Committee may be removed by the Board at any time. A Chairperson will be designated by the Board from among the members of the Committee or, if no such designation is made by the Board, a Chairperson will be selected by the affirmative vote of the majority of the Committee. Committee members should be chosen based on their competence, availability and ability to manage and add substance to the deliberations of the Committee. In addition, the Nominating & Governance Committee will consider whether a director is a "Non-Employee Director" for the purposes of Rule 16b-3 under the Securities Exchange Act of 1934 (the "Exchange Act"), as in effect from time to time ("Rule 16b-3"), and an "outside director" for the purposes of Section 162(m) of the Internal Revenue Code, as in effect from time to time ("Section 162(m)"). Members of the Committee must not have any relationship to the Company that would interfere with the exercise of their independence from management and the Company in connection with the duties of a compensation committee member, including the source of his or her compensation and any affiliation with the Company or any of its subsidiaries. The Committee's composition will be reviewed periodically to determine whether each of its members meets the criteria set forth in any applicable rules and regulations.

Notwithstanding the foregoing membership requirements, no action of the Committee shall be invalid by reason of any such requirement not being met at the time such action is taken.

¹ The term "executive officers" is defined in Rule 3b-7 of the Exchange Act.
